

# IZKF – Publication Award for Young Scientists 2019

The IZKF calls for applications for the **Publication Award for Young Scientists** which is endowed with **1.000 €**.

## Rules of Eligibility

- Authors were **38 years** or younger at time of publication
- Articles were published between **January 1, 2016 and December 31, 2018** (electronic publications are accepted)
- **First authorships** including shared ones
- Entrants' work which led to the publication was **performed in Erlangen**
- For details see: **[www.izkf.med.fau.de](http://www.izkf.med.fau.de)**

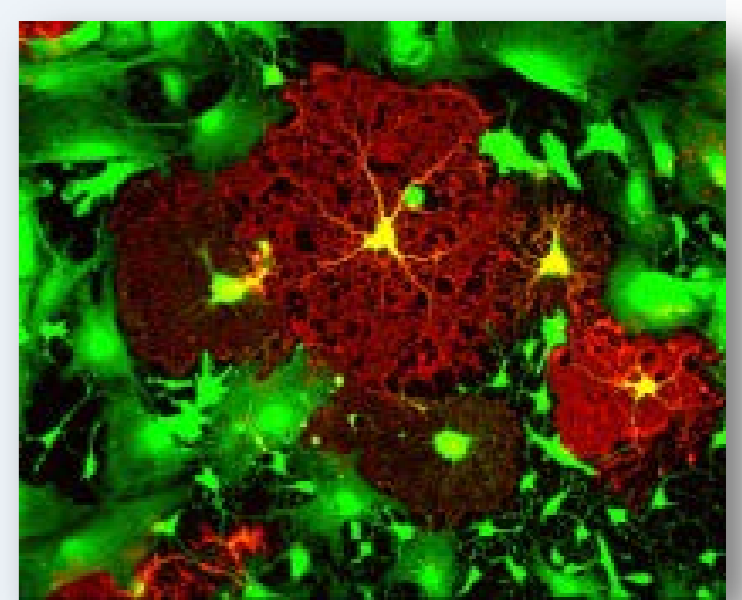

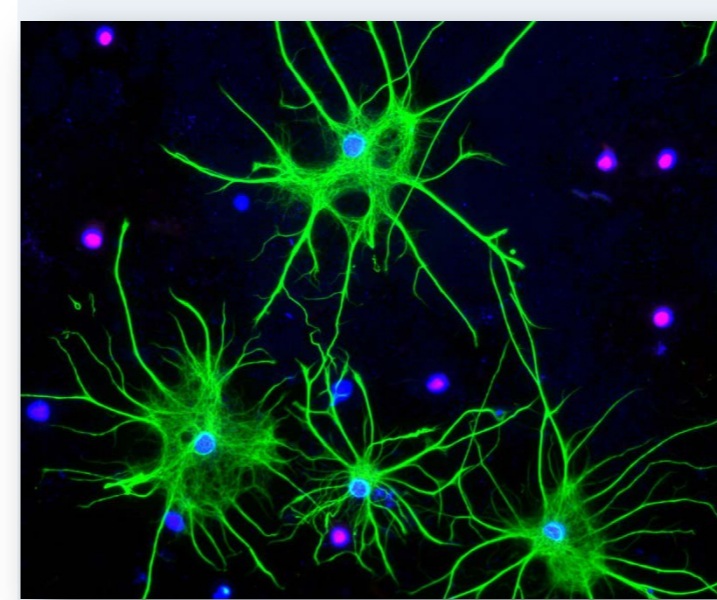

## Procedures of Entry

Proposals should be electronically sent to the administrative office of the IZKF: [anne.reichel@uk-erlangen.de](mailto:anne.reichel@uk-erlangen.de).

Please attach a **research profile** of the candidate as well as the **publication** itself in PDF format.

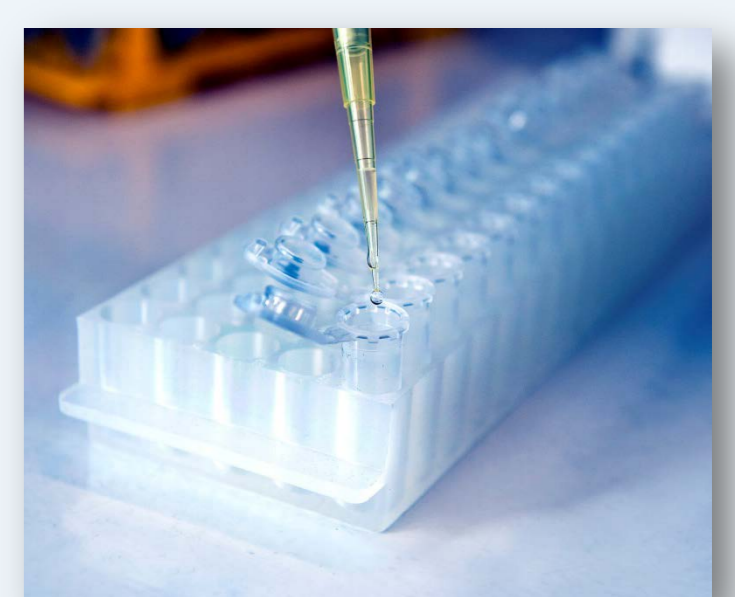

## Deadline for Entries

**February 28, 2019**

## Selection and Award ceremony

The Junior Scientist Committee will select a winner who will be announced and honored as a part of the **Translational Medicine Symposium on June 28, 2019** at Kloster Banz. The awardee will also be included in the programme with a short presentation.

### Organisation

Junior Scientist Committee, Chairman: Prof. Dr. Christoph Becker, Medizinische Klinik 1
