

# IZKF – Publication Award for Young Scientists 2021

The IZKF calls for applications for the Publication Award for Young Scientists which is endowed with **1.000 €**.

## Rules of Eligibility

- Authors were **38 years** or younger at time of publication
- Articles were published between **January 1, 2019 and December 31, 2020** (electronic publications are accepted)
- **First authorships** including shared ones
- Entrants' work which led to the publication was **performed in Erlangen**
- For details see: **[www.izkf.med.fau.de](http://www.izkf.med.fau.de)**

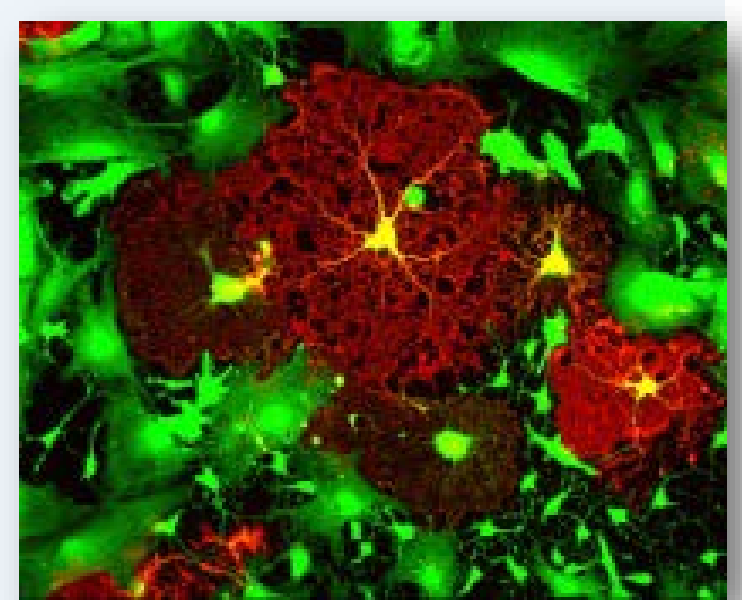

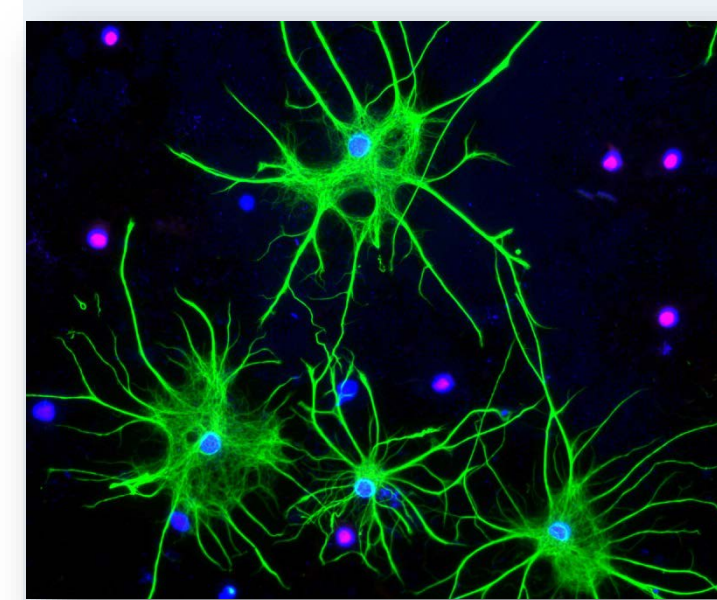

## Application Procedure

Proposals should be electronically sent to the administrative office of the IZKF: [izkf-administration@uk-erlangen.de](mailto:izkf-administration@uk-erlangen.de)

Please attach the **publication** itself in PDF format, a **motivation letter** and a **research profile** (in English).

## Application Deadline

**February 28, 2021**

## Selection and Award ceremony

The Junior Scientists Committee will select a winner who will be announced and honored as a part of the **IZKF Symposium on June 18, 2021** at Kloster Banz. The awardee will also be included in the programme with a short presentation.

### Organisation

Junior Scientists Committee, Chairman: Prof. Dr. Christoph Becker, Medizinische Klinik 1
