

IZKF – Publication Award for Young Scientists 2022

The IZKF calls for applications for the Publication Award for Young Scientists which is endowed with 1.000 €.

Rules of Eligibility

- Authors were **38 years** or younger at time of publication
- Articles were published between **January 1, 2021 and December 31, 2021** (electronic publications are accepted)
- **First authorships** including shared ones
- Entrants' work which led to the publication was **performed in Erlangen**
- For details see: www.izkf.med.fau.de

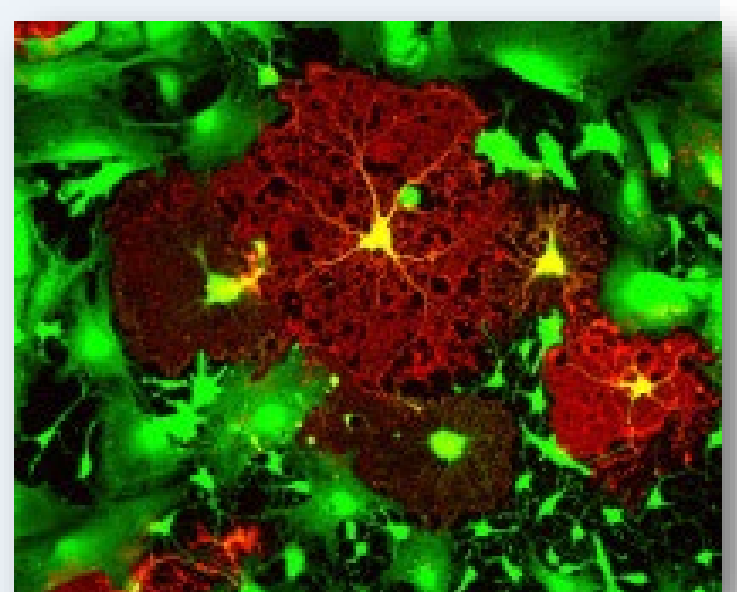

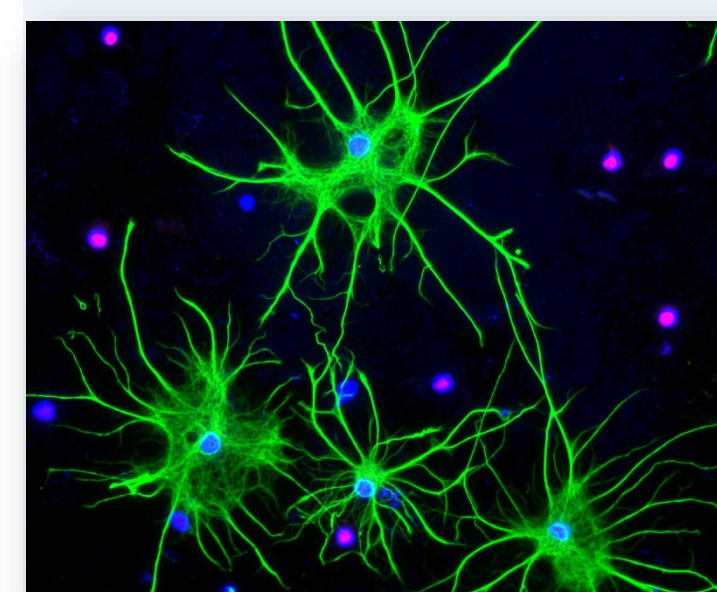

Application Procedure

Proposals should be electronically sent to the administrative office of the IZKF: izkf-administration@uk-erlangen.de

Please attach the **publication** itself in PDF format, a **motivation letter** and a **research profile** (in English).

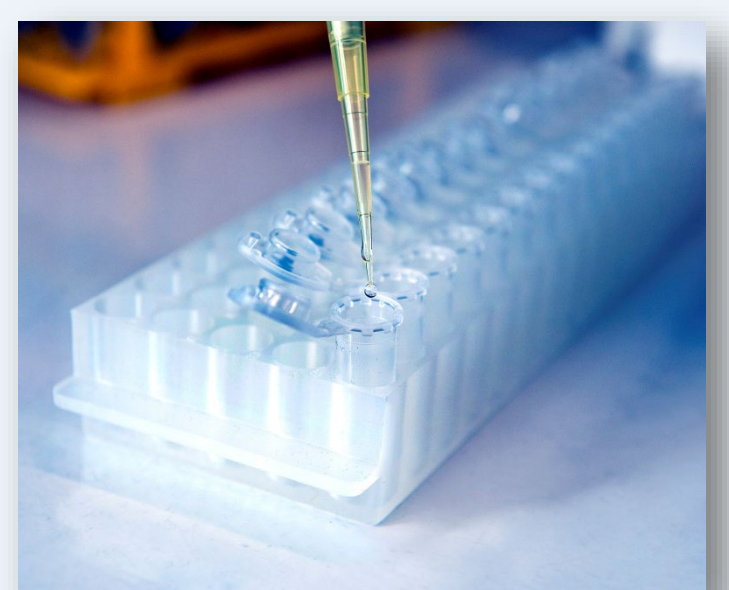

Application Deadline

March 31, 2022

Selection and Award ceremony

The Junior Scientist Committee will select a winner who will be announced and honored as a part of the **IZKF Symposium on June 10, 2022** at Kloster Banz. The awardee will also be included in the programme with a short presentation.

Organisation

Junior Scientist Committee, Chairman: Prof. Dr. Christoph Becker, Department of Medicine 1
