

IZKF – Publication Awards for Young Scientists 2026

The IZKF calls for applications for the two Publication Awards for Young Scientists which are endowed with 1.000 € each.

One prize will be awarded for a publication focusing on basic science and one prize for a clinical/translational publication.

Rules of Eligibility

- Authors were **38 years** or younger at the time of publication
- Articles were published between **January 1, 2025 and December 31, 2025** (electronic publications are accepted)
- **First authorships** including shared ones
- Applicants' work which led to the publication was **performed in Erlangen**
- At the time of application, the applicant must have a **contract at the Erlangen** site.
- For details see: **www.izkf.med.fau.de**

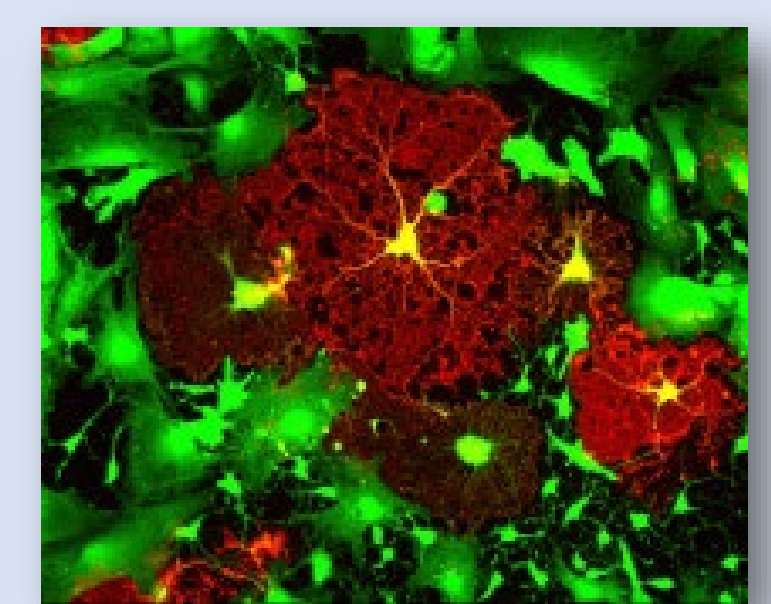

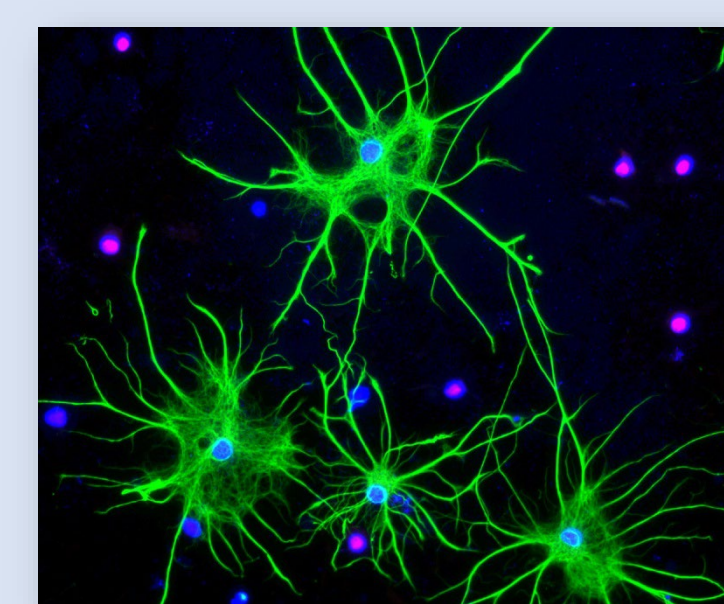

Application Procedure

Proposals should be submitted electronically to the IZKF administrative office: izkf@fau.de

Please attach the **publication** itself in PDF format, a **motivation letter**, a **research profile** and the **classification** (basic scientific or clinical/translational) **of the publication** (all in English).

Application Deadline

March 31, 2026

Selection and Award ceremony

The Junior Scientist Committee will select the two winners who will be announced and honored as a part of the **IZKF Symposium on June 26, 2026** in Kloster Banz, Bad Staffelstein. The awardees will also be included in the programme with a short presentation.
